

Request for Tuition Assistance

LEADERSHIP MONROE Advisory Council and the Monroe County Business Alliance recognize both the value of and the occasional difficulty in funding a participant for the LEADERSHIP MONROE Program.

With this in mind we are proud to offer, tuition scholarships, which will provide up to \$500 towards the \$1,995 cost to participate in LEADERSHIP MONROE. Tuition assistance will be credited to recipients' account upon successful completion of the program. Recipients who fail to complete all of the required course work or lapse from the program due to failure to abide by the attendance policy (as stipulated in the application and participation agreement), accept responsibility for full payment of tuition without exception.
